Dave- Good speaking with you today. Attached is a draft letter for Ben's signature that would affirm the Corps' TNW call for 2 reaches of Santa Cruz River. Please feel free to modify the language as you see fit, and please let us know if we can assist further. I will send a second message attaching the actual Corps TNW determination for your records.

(See attached file: SCR TNW letter dft 111708.doc)
